

MARCH APOSTLES PRESCHOOL NEWSLETTER

March 15- Tuition Due

March 17 - Wear Green

March 22 - Tuition Due to Avoid Late Fee

March 31 - Easter Egg Hunt and Class Party

April 2 - Good Friday - No School

April 12 - 16 Spring Break - No School

Photo viewing date to be announced (watch for orange card)

We had a busy February learning about Valentine's Day, love and Teddy Bears. We closed out our Teddy Bear Unit with a math graphing project, where we ate three types of teddy grahams and each child decided on their favorite flavor. The valentines the children sent in were a good literacy opportunity to practice writing names and reading names. The children were excited to take the little mailboxes home and see what they had inside.

- The themes in March are Insects, Spring, Easter and The Resurrection. We will begin covering Easter in March, as Easter Sunday is April 4, 2010. We will be having a classroom salad bar party and an Easter Egg Hunt on March 31st, at 12:30 P.M. Younger siblings are invited to attend; this is a small egg hunt in which each child finds six eggs. Donations of small items to stuff inside eggs will be accepted, and items for the salad party; more details on this later in the month.

We will be introducing the letters S, T, and U, as well as learning the color green and the number nine.

Suncoast Smiles Photography will be having a photo viewing day to be announced. Look for a bright orange card coming home soon which will have the viewing date on it. The location for the viewing will be the hall, during school hours. Please remember that this is a service for the parents and you are under no obligation to purchase pictures. The classroom group photo will be available in May.

Registration information for 2010-2011 Apostles preschool class has been sent home and currently the three-year-old program is full. The VPK four-year-old program has five openings. Please pass this information along to any parent with children who might be interested. The child must be four by September 1, 2010 to qualify. Thank you for your promptness in returning your registration forms, the class of 2010-2011 is looking great.

Parents, please continue to use good judgment regarding the health of your child. Please do not send children who have had a fever within the past 24 hours to school. The county health department has a high incidence of miscellaneous sickness circulating among children in school. Good attendance in the VPK school program is important but your child's health comes first. Thank you so much for your understanding in this matter.

***ATTENTION APOSTLES ANGELS SUMMER CAMP
DETAILS COMING SOON***

We will be sponsoring a day camp for children ages 3-8 years old again this summer. This program is a fun and creative way to enjoy the summer and give Mom and Dad a break. The camp will operate on Tuesdays, Wednesdays, and Thursdays from 9:00a.m. to 1:00p.m., for 7-8 weeks over the summer. The cost is a flat fee and fun themes and projects are being planned. **COMPLETE DETAILS TO COME SOON!!!**
